August 24, 2020

Dear Parents,

We are regretful to inform you that one of our high school students had contact with a person that has tested positive for Covid-19. The individuals that were in close contact with this individual have been notified and will be required to quarantine at home for 14 days. Currently, the rest of our students and staff have not had close contact with the positive individual, however we do advise close monitoring of all students. We will be working with the health department on further contact tracing and we will notify you if we find out your child has been exposed. We will be following guidelines from the Oklahoma State Department of Health along with district policies to stop the potential spread of the virus.

We ask that you monitor your child/children for COVID related symptoms. If they develop symptoms, we strongly recommend that you seek medical advice from your primary physician or local health department.

If you have further questions, please contact our school office at 580-652-2516.

Sincerely,

Brian Stalder
JH/HS Principal
