Dear Parents,

We are regretful to inform you that a staff member for the high school has tested positive for Covid-19. The individuals tested positive on Tuesday, was not at school Monday or Tuesday. The individual did not show any symptoms while at school last week. The staff member also wore a mask and, or, practiced social distancing while at school. We will be following guidelines from the Oklahoma State Department of Health along with district policies to stop the potential spread of the virus.

We ask that you monitor your child/children for COVID related symptoms. If they develop symptoms, we strongly recommend that you seek medical advice from your primary physician or local health department.

If you have further questions, please contact our school office at 580-652-2463.

Sincerely,

Brian Stalder
